

**Dr Peter Bonfield OBE, FREng, FIET, FICE, FIOM3, FCIOB, HonFCABE, HonFIStructE, HonDSc HonDEng**

Dr Peter Bonfield joined BRE as a research scientist in 1992. He progressed through the organisation to become Chief Executive Officer of the BRE Group of companies in January 2012.

Peter is passionate about the role that building science can play in finding solutions to the challenges that the built environment faces in delivering buildings, homes and communities that work for people, the environment and the economy.

From 2006 until 2012 he was on part-time secondment to the Olympic Delivery Authority (ODA), where he co-created the sustainable development strategy and took the lead on the sustainable procurement of construction products.

In August 2015, the Secretaries of State for the Department of Energy & Climate Change (DECC) and Department for Communities and Local Government appointed Peter to lead a *Review of Consumer Protection, Advice, Standards and Enforcement for UK Housing Energy Efficiency*. Dr Bonfield will report in the Spring 2016.
