Designed to appeal to all those involved in the provision, design and management of the built environment, this is the essential conference for anybody with an interest in accessibility, inclusive design and the built environment. A draft program of speakers is enclosed overleaf.

This annual sell out event, now in its third year is growing in reputation, with great feedback from delegates:

*“Thank you! I always look forward to the NRAC conferences.”*

In addition to our expert line up of speakers, we will once again have a dedicated exhibition space for refreshments and networking. See the enclosed list of exhibitors who have already confirmed.

At just **£138 (inc. VAT)** for Members and Supporters of the NRAC, and **£162 (inc. VAT)** for non-members, for the whole day including catering, the conference offers excellent value for busy professionals to update and extend their knowledge on issues related to the design and management of inclusive environments.

Spaces are limited so book early to avoid disappointment.
