Manifesto Launch

Preparing for Growth

Leeds Town Hall

The Yorkshire & Humber Infrastructure Alliance (YHIA) is a coalition of seven Professional and Membership Associations.

Our objective is to support the Yorkshire & Humber economy by working together to influence infrastructure investment and delivery.

We would like to invite you to the launch of our Manifesto and Panel Debate on the importance of a coordinated regional approach to Infrastructure investment against the backdrop of devolved economic powers, and the impact on growth and job creation within the area.

The event will be hosted by Harry Gration, and participating in the debate will be a panel of leading decision makers from across the Region. They will cover key issues such as connectivity, resilience and skills.

To book your place at this prestigious event, please email yhialliance@gmail.com.
